- Advisor to the Ballarat Hindu Temple Association (commenced 2017)
- Victorian Multicultural Commissioner (commenced 2015)

Dear member,

I have served in several organisations with an interest in tabling issues that relate to culturally, linguistically and spiritually communities. This year I am completing my term as the VMC Commissioner unless I am re-appointed for another term. Currently I am a member of the ECCV Board and understand how the Board functions. I hope to continue on the Board if I had your support

I believe I have the skills and qualifications (as mentioned above) needed to serve on the ECCV Board and my active membership on the board will add value to its objectives. Please speak to me if you have any queries. I look forward to your support in the 2017 ECCV election

Yours sincerely

Sundram
