Wednesday March 28th, 2018

The Ethnic Communities' Council of Victoria (ECCV) is delighted to be presented with an award for excellence in community partnerships at the inaugural Melbourne Employment Forum (MEF) Awards.

The MEF is a leader in fostering innovative and collaborative partnerships with business, employment services and agencies to achieve improved employment outcomes for African Australians in Melbourne.

ECCV Chairperson Cr Kris Pavlidis says "this important symbolic gesture galvanizes the strong collaboration between ECCV and MEF. We look forward to continuing our close working relationship with MEF to support African Australian communities within Victoria."

ECCV and MEF work together to provide opportunities to build the capability of African Australians and increase employment outcomes by promoting the strengths and needs of African Australians and presenting pathways into employment through education, training and work experience.

To address issues relating to employment, education and training, ECCV and iEmpower Youth Services will present the ECCV 2018 State Conference. The conference sessions will focus on topics such as changing technologies and diversity and inclusion in the workplace.
